

Nondiscrimination Policy

INTRODUCTION

Propel Charter Schools (“Propel”) provides equal opportunities for all students regardless of race, color, age, creed, religion, gender, sexual orientation, ancestry, national origin, marital status, pregnancy, genetic history, or disability to achieve their maximum potential through the programs offered in the schools.

Propel shall provide to all students, without discrimination, course offerings, counseling, assistance, athletics and extracurricular activities. Propel shall make reasonable accommodations for identified physical and mental impairments that constitute disabilities, consistent with the requirements of federal and state laws and regulations.

Propel encourages students and others (who are not students or Propel employees) who have been subject to discrimination to promptly report such incidents to designated employees as listed in this policy. Employee complaints of discrimination are covered in the employee handbook.

All complaints of discrimination shall be investigated promptly, and corrective action shall be taken when allegations are substantiated. Confidentiality of all parties shall be maintained to the extent possible, consistent with Propel’s legal and investigative obligations.

No reprisals or retaliations shall occur as a result of good faith charges of discrimination.

Propel’s Superintendent or his/her designee is Propel’s Compliance Officer for purposes of this nondiscrimination policy.

The Compliance Officer shall publish and disseminate this policy and complaint procedure at least annually to students, parents/guardians, employees and the public. Such communications to students, parents/guardians and the public shall include the position, office address and telephone number of the Compliance Officer. This policy, its complaint procedures and the Compliance Officer’s contact information shall be available on the Propel Schools website.

Contact information for the Compliance Officer and for the building principals appears in Attachment A of this policy.

PROCEDURES

Examples of discrimination, harassment and retaliation when such actions (or any other actions) are based on the target's race, color, age, creed, religion, gender, sexual orientation, ancestry, national origin, marital status, pregnancy, genetic history, or disability prohibited by this policy include but are not limited to

1. Name calling or insults
2. Inappropriate jokes
3. Inappropriate pictures, cartoons, drawings or other depictions
4. Isolation or exclusion
5. Bullying
6. Intimidation

The list above is not all inclusive. Any behavior that marginalizes, isolates or harasses a student due to his/her race, color, age, creed, religion, gender, sexual orientation, ancestry, national origin, marital status, pregnancy, genetic history, or disability is prohibited by this policy.

This policy also prohibits (a) retaliation against anyone who in good faith reports behavior prohibited by this policy; and (b) intimidation of any witness or party who participates in an investigation.

This policy applies to students, employees and third-parties (such as vendors, independent contractors and members of the general public) and covers incidents that cause a hostile environment for Propel students in the school regardless of whether the incidents themselves occur on school property.

The Compliance Officer is responsible for monitoring nondiscrimination procedures in the following areas:

1. Curriculum and Materials - Review of curriculum guides, textbooks and supplemental materials for discriminatory bias.
2. Training - Provision of training for students and staff to identify and alleviate problems of discrimination.
3. Student Access - Review of programs, activities and practices to ensure that all students have equal access and are not segregated except when permissible by law or regulation.
4. Support - Assurance that like aspects of the school program receive like support as to staffing and compensation, facilities, equipment and related matters.
5. Student Evaluation - Review of tests, procedures, and guidance and counseling materials for stereotyping and discrimination.

The building principal or his/her designee shall be responsible to complete the following duties when receiving a complaint of discrimination:

1. Inform the complaining party of the right to file a complaint and the complaint procedure.
2. Inform the complaining party if s/he is a student that s/he may be accompanied by a parent/guardian during all steps of the complaint procedure.
3. Notify the complaining party and the accused of the progress at appropriate stages of the procedure.
4. Refer the complaining party to the Compliance Officer if the building principal is the subject of the complaint.

A list of building principals is available in Attachment A of this policy and on the Propel Schools website. Students and parents will be provided with the names of their building principals before or at the beginning of the school year.

Complaint Procedure

Step 1 - Reporting

Anyone who believes s/he has been subject to conduct that constitutes a violation of this policy is encouraged to immediately report the incident to the building principal.

A school employee who suspects or is notified that a student has been subject to conduct that constitutes a violation of this policy shall immediately report the incident to the building principal. Within two (2) school days, the building principal (or Compliance Officer, as the case may be) will follow up with the student reported to be the subject of such conduct.

If the building principal is the subject of a complaint, the complaining party or the reporting employee shall report the incident directly to the Compliance Officer.

The complaining party or reporting employee is encouraged to use the report form available from the building principal, but oral complaints shall be acceptable.

In cases in which the alleged victim may be in danger or his/her ability to participate fully in the educational process may be seriously impaired, the Compliance Officer or his/her designee may take interim action (consistent with state and federal law) to keep the alleged victim from his/her alleged harasser. Such action may include parent contact, removal from class, loss of privileges, detention, or suspension of the alleged harasser.

REPORTS OF ALLEGED INCIDENTS MUST BE MADE NO LATER THAN SIXTY (60) DAYS AFTER THE ALLEGED INCIDENT OCCURRED.

Step 2 - Investigation

Incidents of discrimination, intimidation, harassment and retaliation, including discrimination, harassment, intimidation and retaliation on the basis of disability, prohibited by this policy will be promptly and equitably investigated.

Upon receiving a complaint of discrimination, the building principal shall immediately notify the Compliance Officer. The Compliance Officer shall authorize the building principal to investigate the complaint, unless the building principal is the subject of the complaint or is unable to complete the investigation. If the building principal is unable to conduct the investigation, the Compliance Officer shall authorize another appropriate person.

The investigation may consist of individual interviews with the complaining party, the accused, and others with knowledge relative to the incident. The investigator may also evaluate any other information and materials relevant to the investigation. Both the alleged victim and the alleged harasser will be given the opportunity to present witnesses and other evidence. The investigator will use the preponderance of evidence standard to determine whether this policy has been violated. That is, a violation will be found if the complainant or victim presents evidence establishing it is more likely than not that the prohibited conduct occurred.

The obligation to conduct this investigation shall not be negated by the fact that a criminal investigation of the incident is pending or has been concluded.

All complaints will be investigated within three (3) school days of a complaint being filed. Any reasonable delays (e.g., the unavailability of witnesses or parties due to illness) will be noted in the investigative file, and the investigation will be completed as soon as possible following the delay.

Step 3 - Investigative Report

The building principal (or other person conducting the investigation) shall prepare a written report within fifteen (15) days, unless additional time to complete the investigation is required. Any reason for additional time in which to complete the report will be noted in the investigative file. The report shall include a summary of the investigation, a determination of whether the complaint has been substantiated as factual, whether it is a violation of this policy, and a recommended disposition of the complaint.

Findings of the investigation shall be provided in writing within five (5) school days to the complaining party, the accused and the Compliance Officer.

Step 4 - Action

If the investigation results in a finding that the complaint is factual and constitutes a violation of this policy, Propel shall take prompt, corrective action to ensure that such conduct ceases and will not recur. Victims of substantiated harassment or discrimination claims will be offered counseling and other resources consistent with the circumstances of their charges.

Disciplinary action shall be consistent with the employee handbook, Student Code of Conduct, Board policies, Propel procedures, applicable employment agreements, and applicable law. Employees will be disciplined consistent with the findings and such discipline may include termination. Independent contractors found to be in violation of this policy may have their agreements terminated or may be debarred from transacting business with Propel. Other third-party actors may be prohibited from participating in Propel activities.

Examples of student discipline are as follows:

Appeal Procedure

1. If the complainant is not satisfied with a finding of no violation of the policy or with the corrective action recommended in the investigative report, s/he may submit a written appeal to the Compliance Officer within fifteen (15) days.
2. The Compliance Officer shall review the investigation and the investigative report and may also conduct an additional reasonable investigation.
3. The Compliance Officer shall prepare a written response to the appeal within fifteen (15) days of receipt. Copies of the response shall be provided to the complainant, the accused and the building principal (or other person) who conducted the initial investigation.
