

Propel East is a Title I funded school!

February 17, 2012

Dear Parents/Guardians:

Happy Friday! Today is the beginning of *Hockey Weekend Across America*, and the Propel East staff kicked it off by wearing our Penguins hockey jerseys to school today. We know the Propel Family has many fans of the game and many who are even active participants in the sport. We wish you some quality family time this weekend, to catch (or play!) a hockey game, or to participate in the physical activity of your choice.

As we eagerly anticipate the end of winter weather, we are also excited about some upcoming events. Please review the following list and mark your calendars. Also, review the PSSA parent information letter in today's Friday folder.
