Dear Propel East Families:

On Monday, Wednesday, and Friday, students will be demonstrating their creative arts skills at the Celebrations of Learning. On Monday, November 14, the Saturday Light Brigade will have their in-class demonstration of learning. Seventh and eighth grade will be from 8:50-9:40 and sixth grade will share from 9:45-10:35. Mr. Weaver will host his Physical Education in-class demonstration on Wednesday, November 16. Second, fourth, sixth, seventh, and eighth grades will perform during their regular Creative Arts time. Studio J will have their Celebration of Learning on Friday, November 18 at 9:30 in the multi-purpose room. This presentation will include first, third, fifth, seventh, and eighth grades. Any students signed out after the presentation for early dismissal will be marked as an unexcused absence.

We also have two exciting field trips in this upcoming week! Saturday Light Brigade will host a field trip for their sixth grade students on Tuesday, November 15. Mr. Weaver will be hosting a field trip to the University of Pittsburgh Women's Basketball game on Friday, November 18 for second, fourth, and sixth grade students.

Please join us for our Literacy Night/School Council Family Night in conjunction with the Scholastic Book Fair on Monday, November 14 from 6-8 PM. The theme for the evening is Family Jammies (pajamas, sweat pants, slippers, etc.) where families will be able to shop in the book fair, enjoy read-aloud stories within several classrooms, receive information on the collaboration of art and literacy in Studio 101, and select grade level appropriate literacy enhancing items.

Lifetouch will be here for picture make-ups/retakes on December 7 for anyone who is interested. All students are encouraged to wear light blue uniform shirts on November 17 to support National Children's Grief Awareness Day! In today's Friday Folder, you should have received lots of very important information regarding Literacy Night and other upcoming events. Students have off the entire week of Thanksgiving, with conferences scheduled for Tuesday, November 22nd, from 12:00-8:00, and Wednesday, November 23rd, from 7:00-11:30.
