

**A Guide for**  
**School Delays/Closing due to Inclement Winter**  
**Weather Delays**

**DELAYS:** Propel MONTOUR School will **NOT have school DELAYS**, regardless of which school district the student physically resides.

**CLOSINGS:**

**THIS IS AN IMMEDIATE CHANGE BASED UPON OUR PAST PRACTICE:**

***This will begin on 1/25/2011 which is Tuesday.***

School closures due to snow and ice will be based upon the **City of Pittsburgh School District**. If the **Pittsburgh Public Schools CLOSE**, then **Propel-MONTOUR School will be CLOSED**.

If the Pittsburgh Public Schools have a DELAY, we will still be in operation beginning at 8:30 because **we DO NOT DELAY**. On a delay, the busses from the district in which you reside will be on a 2 hour later schedule. (Example: 7:00 AM normal pick up by the bus will now be a 9:00 AM pick up with a DELAY). Students whose busses are delayed will not be penalized by being late.

**ALERT NOW:**

You will be notified as soon as we know if school is cancelled by phone with the ALERT NOW System. Please make sure that we have the current phone number for contacting you. If you have never been contacted by this automated system, then there is a great chance that we do not have the correct phone number for you. Please call Renae Perry and update this immediately (412-539-0100).

For information on school closings, please tune into **KDKA-TV 2 or KDKA Radio, 1020 AM**. **Other districts that close will be honored as an excused absence; however, we will be open if you should transport your child to school.**

If you have questions or concerns, please contact us so they can be addressed immediately.
