

### **Important Information for Families!**

Please take a moment to read the following information about the lottery process and what you will be seeing when you view the result files. We thank you for your interest and enthusiasm for Propel Schools!

## **Lotteries**

Propel Schools operates public charter schools where students are admitted by blind lottery. Our schools are free and open to all. There are no admissions requirements and there are no tuition fees. Propel Schools are free schools of choice. Families choose to enroll their children because they believe the school is right for their child and children are welcomed regardless of ability or disability, race, religion or national origin. We serve all students - talented and gifted students, special education students and everyone in-between. We strongly encourage families to visit the school with a designated staff person to make sure the school is right for your child. Propel is an academically challenging environment with high expectations. If you have any questions regarding Propel Schools enrollment, please review our "Enrollment Process."

Propel is **not** an alternative school or an alternative placement. **2014-15 Lottery**  
We hold the lotteries at our administrative office, and then post the results on our website, available to all parents and guardians, to consult when your schedule allows. The lotteries for the 2014-15 school year took place on January 29, 2014.

#### **Please read the following carefully:**

- The 2014-15 Lottery results have been listed by school.
- You may click on the school name to view the lottery list for the 2014-15 school year.
- In each school's list, children are listed by first and middle name, to protect privacy.
- In each school's list, the wait list status, first and middle name of the child, and grade are shown, listed in sequential order by grade.
- Children's names will appear however they were submitted when the pre-registration application was completed.
- If a child's name is incorrect, please resolve the issue when you are offered a space.

**Families that have a "secured" status will be contacted in early spring to complete the enrollment process (mid-March timeframe)**

**Families that are on the waiting list with a numbered status will be contacted by phone only if or when a space becomes available.**

#### **Please see both of the examples below:**

This listing would mean that Jane Ann has a secured place in her grade level, which is 3rd grade. *To complete the registration process, Jane Ann's family would wait to be contacted by Propel Schools in March and then complete all necessary forms.*

<i>Waitlist Status</i>	<i>First</i>	<i>Middle</i>	<i>Grade</i>
