

We would like to inform you about great ways you can help us earn money for our school. It takes very little involvement from you. It's our **Shop, Swipe, Cut and Earn Campaign**. How does it work? When you **Shop** at stores look for products with Box Tops or Labels for Education. Make sure you register your shopper's cards with our school codes and every time you **Swipe** the card we get the benefits. When you get home, **Cut** out the labels and send them in with your student. Our school will **Earn** money to use to get our playground or supplies. It is that simple!
