

HOMELESS STUDENTS

INTRODUCTION

Propel Schools recognizes its obligation to ensure that homeless students have access to the same educational programs and services provided to other Propel students. Propel Schools shall make reasonable efforts to identify homeless children within their schools, encourage their enrollment, and eliminate existing barriers to their attendance and education, in compliance with federal and state law and regulations.

Propel Schools shall waive policies, procedures and administrative regulations that create barriers for enrollment, attendance, transportation and success in school of homeless students, based on the recommendation of the Superintendent.

Students shall not be discriminated against, segregated nor stigmatized based on their status as homeless.

DEFINITIONS

Homeless students are defined as individuals lacking a fixed, regular and nighttime residence, which include the following conditions:

1. Sharing the housing of other persons due to loss of housing or economic hardship.
2. Living in motels, hotels, trailer parks or camping grounds due to lack of alternative adequate accommodations.
3. Living in emergency, transitional or domestic violence shelters.
4. Abandoned in hospitals.
5. Awaiting foster care placement.
6. Living in public or private places not designed for or ordinarily used as regular sleeping accommodations for human beings.
7. Living in cars, parks, public spaces, abandoned buildings, substandard housing, transportation stations or similar settings.
8. Living as migratory children in conditions described in previous examples.
9. Living as run-away children.

10. Abandoned or forced out of homes by parents/guardians or caretakers.

School of origin is defined as the school the student attended when permanently housed or the school in which the student was last enrolled.

PROCEDURES

Propel Schools designates the Superintendent or designee to serve as the District's liaison for homeless students and families.

Propel Schools' liaison shall coordinate with:

1. Local service agencies that provide services to homeless children and youth and families.
2. All Propel schools, as well as other school districts, on issues of enrollment, records transfer and transportation.
3. State and local housing agencies responsible for comprehensive housing affordability strategies.

Propel Schools' liaison shall provide public notice of the educational rights of homeless students in its schools.

The Superintendent or designee shall develop and implement administrative regulations for the provision of educational programs and services to homeless students in accordance with federal and state law and regulations.

Students shall not be discriminated against, segregated nor stigmatized based on their status as homeless.

Enrollment/Placement - To the extent feasible, and in accordance with the student's best interest, a homeless student shall continue to be enrolled in his/her school of origin while s/he remains homeless or until the end of the academic year in which s/he remains homeless or until the end of the academic year in which s/he obtains permanent housing. Parents/Guardians of a homeless student may request enrollment in the school in the attendance area where the student is actually living or other schools. If a student is unaccompanied by a parent/guardian, the district liaison will consider the views of the student in determining where s/he will be enrolled.

The selected school shall immediately enroll the student and begin instruction, even if the student is unable to produce records normally required for enrollment pursuant to Local Education Agency (LEA) policies. However, the LEA may require a parent/guardian to submit contact information. The homeless liaison may contact the previous school for oral confirmation of immunizations, and the school shall request records from the previous district, pursuant to Board policy. Homeless families are not required to prove residency regarding school enrollment.

School/Health Records - The receiving LEA may contact the LEA of origin for oral confirmation that the student has been immunized, but must not be a barrier to enrollment. Oral confirmation between professionals is a sufficient basis to verify immunization with written confirmation to follow within thirty (30) days. The instructional program should begin without delay after the enrollment process is initiated and should not be delayed until the procedure is completed.

The enrolling LEA's liaison will assist the parent/guardian/student in obtaining necessary immunizations, or immunization or medical records.

Placement/Disputes/Complaints - If the LEA is unable to determine the student's grade level due to missing or incomplete records, the LEA shall administer tests or utilize appropriate means to determine the student's placement.

If a dispute arises over school selection or enrollment, the student shall be immediately enrolled in the school in which enrollment is sought, pending resolution of the dispute. The parent/guardian/student will be provided with a written explanation of the school's decision on the dispute, including the right to appeal. The parent/guardian/student will be referred to the LEA homeless liaison, who will carry out the state's grievance procedure as expeditiously as possible after receiving notice of the dispute. In the case of an unaccompanied student, the LEA liaison shall ensure that the student is immediately enrolled in school pending resolution of the dispute.

If disputes or complaints of noncompliance arise regarding the education of homeless students, the following steps shall be taken:

1. The person filing the complaint shall first contact the school or LEA through the LEA Homeless liaison, the principal, or Superintendent to present their concerns to the people closest to the situation and most likely to be able to resolve it quickly.
2. If Step 1 is not successful or is not possible under the circumstances, contact should be made with the Homeless Project Education Liaison, or the Pennsylvania Department of Education (PDE) will accept complaints directly through the Education for Homeless Children and Youth Program.
3. Individual cases may be referred to the PDE's Office of Chief Counsel and the Office of the Deputy Secretary for Elementary and Secondary Education, as needed, by the State Homeless Coordinator.

PDE will deliver a response within fifteen (15) business days of the receipt of the complaint. The complaint may arrive in the form of a copy of the school/ LEA letter or on the Dispute Letter Form if given directly to a Liaison of the Homeless Initiative.

Services - Homeless students shall be provided services comparable to those offered to other Propel students including, but not limited to school nutrition programs and educational services for which students meet eligibility criteria, such as programs for disadvantaged students, students with disabilities, and gifted and talented students.
